

touch a
child's life
forever.

Be a foster care
volunteer.

**LUTHERAN
FAMILY SERVICES**
of Colorado

Lutheran Family Services provides caring foster care homes for hundreds of abused and abandoned children each year.

These children are now in nurturing family environments, but they still need the positive influence of other adults. That's where you can help.

Through weekly, biweekly or monthly interaction with a child, you can provide the encouragement and nurturing he or she needs to succeed in life.

- Share a skill or hobby
- Be a mentor
- Play games
- Go to movies
- Help with homework
- Support groups

Spend time with a child in foster care. It makes a difference.
