

Colorado Lutherans have a strong history of responding to human need. Since 1948 Lutheran Family Services of Colorado has been **your** agency to provide a ministry link between congregations and community. We believe that all people, from the newborn infant to the most elderly person, deserve to be valued in our community. Lutheran Family Services is committed to offering care and support to all vulnerable people, regardless of race, religion, gender or age, to help equip them to live full and whole lives.
