Our Immigration Legal Services Program Attorney and staff are available to speak at schools, ethnic community centers, churches, mosques, synagogues and other organizations on many topics related to Immigration Law. Our seminars are a valuable source for the public to learn about U.S. immigration law and to be able to consult with an attorney and United States Board of Immigration Appeals accredited staff and agency. The topics that we discuss cover a broad range of immigration issues ranging from:

Immigration 101: A brief and general introduction to the U.S. Immigration system

Know Your Rights: Immigrant rights

Green Cards: We will wind you through the maze and the path to green cards (adjustment of status)

Naturalization: We will give you a passport to navigating the Naturalization process

Immigration Reform: Debunk the myths and talk about what the new legislation will and does not allow

Family Reunification: Let us explain how you can be reunited with your spouse, parents, children or siblings through family-based Immigration
