

Colorado Lutherans have a strong history of responding to human need. Since 1948 Lutheran Family Services of Colorado has been **your** agency to provide a ministry link between congregations and community.

Organizational Mission

The **mission** of Lutheran Family Services of Colorado is “to walk with the vulnerable through services that heal, strengthen and provide hope.” LFS strives to accomplish this mission through a variety of human services for all people, regardless of age, race, religion, culture, gender or economic status. Focusing on those most vulnerable among us – children, youth, refugees, older adults and struggling families – LFS serves Colorado communities through **program goals** that:

- Provide homes and families for abused and neglected children
- Support older adults in assessing their options and accessing services
- Assist refugees and asylees in becoming productive citizens in their communities
- Offer parenting assistance or adoption alternatives to young pregnant women
- Strengthen troubled families
- Help reduce teen pregnancy in Colorado
- Share hope with persons suffering from grief and loss related to disaster
- Place children with loving and caring adoptive families.
